SPECIAL EVENT BAR OPTIONS

Cash Bar No-Host Option

A cash bar or no-host bar means you and your guests will be charged each time a drink is purchased. Your guests can pay per drink or open a tab. A cash bar is exactly what you get if you're at any public bar. Despite its name, you can still pay for your drink or tab with a credit card or cash if you prefer. Guests are encouraged to tip their Shine Slingers a minimum of 15% on any cash bar tab that is opened during the event. You are welcome to tip more if you would like.

Hosted by the Drink

\$8 - \$15 per drink

Only pay for what your guests drink. All drinks are tallied by our shine slingers and the host is responsible for the tab at the end of the event. A minimum 20% gratuity is required for hosted bars. Looking to stay within a specific budget? Hosted by the Drink Bar can be combined with the Cash Bar Option or limited to Specific Drink Options. Alternatively, you can distribute drink tickets/tokens to your guests.

Hosted Bar

\$40 per person

Maximum of 3 Hours

It's a special occasion so why not? Hosted Bar is calculated on your final count of attendees (due 7 days before the event). Non-alcoholic and alcoholic drinks are included in all hosted bars. The last call is 30 minutes before the end of the event or a 3-hour maximum service window, whichever comes first. *A minimum 20% gratuity is required for hosted bars.*
